# HOW TO USE 有效居家护理方法

## STEP 01.

After cleansing, apply toner pads to dry areas and leave on for 5 minutes like a mask.

洁面后，将爽肤棉片敷于干燥部位，如同敷面膜一般，静待5分钟。

## STEP 02.

Gently wipe the face and neck (excluding eyes and lips) following the skin texture.

用爽肤棉片轻轻擦拭面部和颈部，顺着肌肤纹理擦拭，避开眼周和唇周。

## STEP 03.

Apply the neck mask by removing one protective film, align it comfortably around the neck area, then remove the remaining film.

打开面膜包装，撕下颈膜一侧的保护膜，贴合颈部肌肤，然后撕下另一侧的保护膜。

## STEP 04.

Apply the face mask, aligning with eyes and nose, then remove the remaining protective film.

撕下面膜一侧的保护膜，对准眼部和鼻部，然后撕下另一侧的保护膜。

## STEP 05.

Leave on for 15–20 minutes, remove, and gently pat the remaining essence for absorption.

静待15-20分钟后取下面膜，轻轻拍打剩余精华至吸收。

### Tip!

- Use 2–3 times per week for optimal results!! 建议每周使用2-3次，以达到最佳效果！
- Using toner pads and mask together enhances effectiveness. 您可以同时使用爽肤棉片和面膜，以获得更佳效果。
