**DURIGAON Inc.**

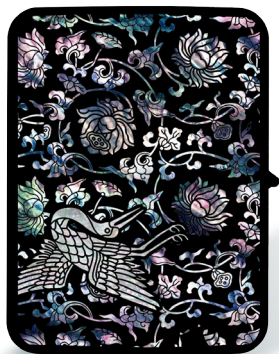

# Korea's traditional beauty

Durigaon is a bridge that connects Korea's beautiful traditions and the present.

We will brighten your life with modern design incorporating tradition.

Durigaon's products use traditional Korean paintings to create valuable gifts.

## A company that impresses customers

Contributes to promoting Korean traditional culture to the world.

I will make it with all my heart and reward you with a satisfying gift.

# PRODUCT LIST

Durigaon's products add value to tradition and daily life.

## Tumbler

Double vacuum tumblers are also attracting attention as eco-friendly products. You can contribute to environmental protection.

## Straight Mug

A mug that combines traditional and modern feelings. It is made by baking at over 1,300 degrees for high strength and durability

## Gift Set

A luxurious gift set consisting of a tumbler and two mugs.

## Nail Clipper

A luxurious case containing nail clippers allows for hygienic and efficient storage.
